Give Us Your Input!

Public input from thousands of Californians has already helped shape the CALFED Bay-Delta solution. However, there are many significant issues that still need to be decided. Please fill out this form and tell us what you think is important when developing an equitable, feasible and durable Bay-Delta solution.

Comments:

In the Arid Modoc-Lassen area our
water rights that were filed in 1870
are extremely important to our livelihood.
It is true that we have more water
than we need, and we definitely want
our water rights kept in our own
area.

Use additional sheets if necessary.
